

**MIKE and JODI MASON - Mrs. Ravioli
suspected of BLACKMAIL , EXTORTION. Libel, Slander, damage to credit.
Forming of a criminal .**

Facts of the matter:

Mike and Jodi Mason came to El Paraiso Verde from Great Britain with their children Donny 17 and Ella 15 on the 31st of January 2022.

They started with our info week and after the info week they permanently stayed at El Paraiso Verde.

On 11. Of April 2022, after approximately 6 weeks of careful deliberation the family bought a quarter hectare or 0.6 acres at our Anastasia Circle district - Number 3A, perfect for a family home with a large lot.

There was NO consulting on the part of President Dr. Erwin Annau in the selection process. He may have talked to the family about 5 times in these 6 weeks, mostly saying hello in the bambambo.

This is, what the new home of the Masons could have looked like and what houses near the lot they have bought look like

Together with their Lawyer, Mrs. Ravioli - they made a tic toc video with false claims about Paraiso Verde.

The claims of Mr. and Mrs. Mason

1. First Claim (El Paraiso Verde) has taken their hard earned money and the inheritance of their children."

Family Mason told Dr. Annau that they have MORE Assets in Great Britain, for instance some apartment.

These are the funds, which Family Mason actually sent to RELJUV and El Paraiso Verde:

Apart of the fee for the info-week, Family Mason invested a total of 468,260.750 Guarani, 65.000 USD, 60.800 EUROS or 54.450 British Pounds.

IF the total amount of their assets were sent to El Paraiso Verde as Family Mason claimed in their video, they would not have been able to purchase this land, because they would not have had enough money for building a house. But THEY selected and bought this lot and told me that they would sell some real estate in Great Britain to have the money for a house. With their video the viewer gets the impression that they sent ALL of their money.

2. Second false claim: RELJUV sold them worthless land:

Here is an example of a very similar Anastasia Circle lot that was sold for approximately 76.700 USD, or 71.000 Euros or 63.800 British Pounds.

A	Anastasia Circle	Anastasia Circle	Baugrundstück	2383	230.300	548.804.900
---	------------------	------------------	---------------	------	---------	-------------

This lot was paid for. 1 House is already built on it, one is under construction

Family Mason paid for the much larger lot 500,971.590,- Guarani which is approximately 70.000 USD. 65.000 Euros or 58.000 British Pounds. Their Square Meter price was even 10% lower than the list prices paid in the district of Anastasia Circle.

All lots have Electricity and Water from a deep well.

Here is the purchase contract.

This is the area, the Masons called „barren land“.

Third false : Pressure sale:

There was no sales consultation for this sale. They drove around, selected the lot and Mike informed the sales person that he would want to buy it. All his tic toc statements about my alleged sales tactics were fabrications to extort his investment from the company RELJUV S.a.e.c.a.
Proof.

Mister Mason asked the sales person on 11th of February 2022 to reserve the Lot 3 A and she acknowledged HIS wish to get the lot. There was no solicitation no „pressure sales talks, let alone Scientology, just HIS Email that he wanted to buy.

The Email from our consultant proves that she was utterly surprised that he wanted to buy the lot!

Subject: RE: Mike & Jodie Mason - plot purchase

Hi Mike,

Glad you could make it out today! We have, unfortunately, been working all day and missed the chance to check it out with you. Were glad 3A appeals to you and weve let Erwin know about reserving it. He has asked for the plot to be mowed and staked so you can get a real look at it. To best get your contract questions answered you could send them to us per mail, Voice message on Telegram, or talk to Florencia in the office of the red house (M-F 7h-5h).

Take care and see you soon,

To claim that he was pressured or even forced by „brain washing techniques into buying the lot may constitute libel and slander.

There were no „bullying sales tactics“ in this Email, let alone Scientology. Dr. Annau has been an outspoken critic of this movement for more than 26 years. Nothing could be further than the truth.

The 3 persos may have committed the crimes of libel and slander for the purpose of extorting money from RELJUV S.a.e.c.a..

And physical violence was never used by RELJUV or his agents.

The family wanted to build two houses, one for them and one for Lonny
Therefore they must have more assets in Great Britain, so their claim we took all of their money is false.

Here are the plan of the house positioned on the lot:

Our architect department spent many hours on the planning.
Mr. and Mrs. Mason never paid the planning cost.

There were no further investments at El Paraiso Verde for the houses or the platforms, just this lot.

If their claim was true that we took all of their money and then they did not have the money to pay for the plans or for the extended 2 platforms, Masons could be considered imposters!- That would be FRAUD if one orders something that one knows he cannot pay.

RELJUV S.a.e.c.a was ready to start construction.

However their son Donny decided to go back to great Britain for good and the family went with him to find a place and to help him fix up an apartment.

Later they decided to stay together and remain in Great Britain.

The Masons left El Paraiso Verde around End of April or beginning of May of 2022.

Mike Mason wrote to Dr. Annau on July 14th of 2022 in GERMAN ! that he needed the money for the renovation of the apartment of Donny. He still wrote that they are praying that Donny would change his mind and they could live together at El Paraiso Verde. He even wrote me in German, though dr. Annau speaks excellent English.

Guten Morgen Erwin,

Ich hoffe, dies trifft Sie bei guter Gesundheit an.

Im Anschluss an das Gespräch, das wir letzten Freitag, den 8. Juli hatten, sind Jodie und ich der Meinung, dass wir das Grundstück (Grundstück 3A) verkaufen müssen, um in erster Linie das Geld dafür zu verwenden, dass unser Sohn Donny das hat, was er hier braucht Familie – da er nicht zu uns nach Paraguay kommt. Na ja, sagt er sicher nicht kurzfristig. Wir können nur beten, dass er seine Meinung bald ändert und sich uns langfristig anschließt!.....

Good morning Erwin,

I hope this finds you in good health.

Further to the conversation we had last Friday, July 8, Jodie and I are of the opinion that **we need to sell the property (lot 3A) to primarily use the money to make sure our son Donny has what he needs** here family - since he is not coming to us in Paraguay.

Well, he certainly won't say in the short term. **We can only pray that he changes his mind soon and joins us for the long term!**

As we have discussed, I will be taking steps to draw down some more money from other private investments I have made towards our plans to secure another smaller piece of land, but this won't be ready for at least a couple of months - and we (Jodie, Ella-Rose and I) intend to return much sooner than that to choose our next piece of land.

To that end, could you please take action and advise me on the next steps in the process of reselling land back to Reljuv?

Land details as follows:

Land Ac No. 3A

Land Registry 11 100 310

M2 2.417

Price PGY 500,971,590

Best wishes,

Mike Mason

Tel: 07779 115815

As per this Email, he wanted to exchange lot 3A for a smaller one, but later on he wanted all of his money back.

Dr. Annau wrote back that he could - according to the notarized contract Mr.Mason signed either sell the lot himself at a cost of less than 1000 USD for writing the contracts and fees or RELJUV would offer and sell his property to their clients provided a power of attorney at 15% discount from his purchase price was made.

RESALE by owner

After purchasing the land, the landowner can resell his land at any time, subject to the right of first refusal of RELJUV. There is a 6,950.000,- PGY administrative fee payable to RELJUV.

The purchase price will be settled directly between seller and buyer. Buyer and Seller shall be liable for the payment of any taxes due at resale and the administrative fee. RELJUV administrative fees will be adjusted to annual inflation rates as published by the Paraguayan administration.

RESALE by RELJUV

In case of resale by RELJUV, the mandated taxes and an administrative fee totaling 15% of the initial purchase price will be charged. After the resale by RELJUV, the seller will receive the original purchase price (the amount of Guarani received by RELJUV) minus 15% via wire transfer or cheque.

In case of request for resale by RELJUV within one month after the investor's trip, RELJUV will pay the mandated taxes and limit the administration fee to PGY 6,950.000.

A resale cannot be guaranteed.

This, by the way, is what everyone signs if they choose us to sell their property. 15% covers the non-redeemable taxes, commissions, advertising money and legal fees.

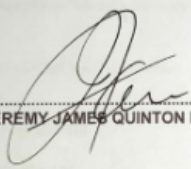

Therefore Mike signed and notarized a power of attorney on August 16th 2022 and the lot went on the market.

Unfortunately Family Mason got into the hands of the lawyer named RAVIOLI who is behind of all of the tic toc videos.

She advises her clientes to commit the crime of blackmail, extortion, libel and slander publicly on the internet with false statements, by threatening to publish these criminal videos and - if RELJUV does not give in to HER blackmail scheme, she makes her clients publish these extortion videos.

Mr. and Mrs Mason have no claim whatsoever against Reljuv. They bought a property. It was put back on the market and when it is sold the purchase price will be paid.

Nowhere in the word could you one buy a piece of land from a real estate developer and then just change his mind and demand that the real estate developer pays YOU back all the money, if possible net Friday. And then threatening or making a video on tic toc with false statement to get the purchaseprice refunded is blackmail and extortion.

This is like the mafia would do: „if you do not pay us, we will ruin your pizza parlor.“
The only difference. The Mafia method is now done digitally: If you don't pay we make a really bad tic
toc video.

RELJUV would be happy to send the Masons their money after sale of their property.

What these families do not realize: They are being used in a vicious but futile attempt of a planned
hostile take over of El Paraiso Verde supposedly perpetrated by Mrs. Ravioli and a close relative of
hers who happens to be real estate broker.

They think that with the libel and slander campaign they will put us out of business and they could
buy up the land cheap and make a fortune by squandering it for pennies on the dollar.
If this would succeed, hundreds of families would lose their life savings.

And, by the way, the sister of Mrs. Ravioli IS a real estate Agent
